POSTAL REGULATORY
COMMISSION
OFFICE OF THE SECRETARY

Dear Mr. Williams

For the Commission's information, I am providing a message pertaining to the Postal Service's data systems dated June 15, 2009, from the office of Statistical Programs at Postal Service Headquarters to the Managers, Statistical Programs, CS&S Districts. ("Q4 Fiscal Year (FY) 2009 CODES Software Release"). Rather than sent as a letter, this message was posted on Postal Service's internal web site on the intranet.

Please note that the identities of e-VS Mailer/Consolidators have been deleted from pages 2 & 3 of Attachment B appended to the message. In the Postal Service's view, these identities of postal customers and others are commercial information that would not be disclosed under good business practices, and would be exempt from mandatory public disclosure, pursuant to 5 U.S.C. § 552(b)(3) and 39 U.S.C. § 410(c)(2).

I have also included the following:

Letter dated June 9, 2009, from J. Ron Poland, Manager, Statistical Programs, to Managers, Finance CS&S Districts, and Managers, Statistical Programs, CS&S Districts (Subject: *Policy Memo – Statistical Programs Letter #6*, Fiscal Year (FY) 2009).

I have included a computer disk containing copies of both items in electronic form. If you have any questions, please call.

Sincerely,
